

West Elgin Community Health Centre

The West Elgin Community Health Centre is committed to working in partnership with individuals, families and community groups to optimize the health and well being of our clients and communities. We are creating a culture where we work with pride, tell our story, respect each other and have fun.

The Centre is located in the rural setting of West Lorne, Ontario approximately 30 minutes west of London. We deliver primary health care, illness prevention and health promotion services, as well as a range of community programs by a multidisciplinary team of professionals to the residents of western Elgin County. We currently have an opening for a:

Health Promoter/Systems Navigator Full-time Permanent

Qualifications for Health Promoter Position:

- Graduate degree from a recognized university in a relevant discipline, or combination of undergraduate degree and significant related experience.
- Experience in health promotion, community development and prevention programming.
- Solid understanding of program evaluation methodology.

Duties and Responsibilities:

- Design, implement and evaluate health promotion and other programs in accordance with the CHC overall goals, strategic plan and CHC objectives.
- Using the determinants of health as a guide, ensure that a health promotion focus is present in all aspects of program/services.
- Monitor and analyze trends, demographics and other sources of internal and external information in relation to its impact on programming.
- Liaise with related community agencies/partners for the purpose of implementing special projects
- Assist clients in navigating the health system by providing information, education and directions on how to advocate for their own health and well being.
- Demonstrate communication skills that support the role in an interdisciplinary team.
- Experience in working with and understanding rural communities is an asset.
- Proficiency in the use of computers and various software applications.

Applications to be submitted by August 13th, 2010 at 4:00 p.m.
