

West Elgin Community Health Centre

The West Elgin Community Health Centre is committed to working in partnership with individuals, families and community groups to optimize the health and well being of our clients and communities. We are creating a culture where we work with pride, tell our story, respect each other and have fun.

The Centre is located in the rural setting of West Lorne, Ontario approximately 30 minutes west of London. We deliver primary health care, illness prevention and health promotion services, as well as a range of community programs by a multidisciplinary team of professionals to the residents of western Elgin County. We currently have an opening for a:

Part time Registered Dietitian 26.25 hours per week

Qualifications:

- Possess current registration with the College of Dietitians
- Demonstrated commitment to community-based health care, strong understanding of the role of nutrition and food security as a determinant of health, sensitivity to socio-economic barriers and knowledge of rural issues
- Knowledge of planning, implementation and evaluation of community-based nutrition programs including establishing working relationships with community partners
- Computer skills required

Duties

As part of the interdisciplinary team, the Registered Dietitian will plan, implement and evaluate community-based nutrition programs. We are seeking a self-motivated individual with excellent interpersonal and communication skills with the ability to work flexible hours, including some evening hours.

Applications to be submitted by August 13th 2010 at 4:00 p.m.

Please send resume and cover letter by mail, fax, or email (mstover@wehc.on.ca)
